GENESIS RECEIVES SEVEN 2025 *CAR AND DRIVER* EDITORS' CHOICE AWARDS

- Genesis G70, G80, Electrified G80, G90, GV70, Electrified GV70 and GV80 named winners in their respective segments
- Multiple Genesis models recognized for third consecutive year

FOUNTAIN VALLEY, Calif., Jan. 31, 2025 — *Car and Driver* recognized seven Genesis models in its 2025 Editors' Choice Awards. The Genesis G70, G80, Electrified G80, G90, GV70, Electrified GV70 and GV80 were named as winners in their respective categories after editors carefully tested, evaluated, and scrutinized nearly 500 vehicles on the market today.

"At Genesis, we are fully committed to delivering vehicles with timeless designs, advanced technologies, and an exceptional driving experience," said Tedros Mengiste, chief operating officer of Genesis Motor North America. "Our product lineup is rapidly evolving to meet consumer needs and having multiple Genesis models included in the *Car and Driver* Editors' Choice Awards for the third consecutive year is a testament to this."

Each vehicle recognized by *Car and Driver* has been deemed the best at fulfilling its mission while also offering great value and a rewarding driving experience. The criteria used to determine the vehicles selected for the Editors' Choice list include the results of *Car and Driver's* rigorous testing, editors' subjective evaluations of each vehicle's performance, how well a vehicle fulfills its intended mission, and the ranking each vehicle earns within its market segment versus its competitors.

The full list of Genesis vehicles recognized in the 2025 *Car and Driver* Editor's Choice Awards:
